

Sri V. N. PATIL.—Sir, I do not propose to say that I am entitled to get a reply from the Hon'ble Minister. But since this sort of a practice has been going on here, I would like to take advantage of it in favour of my District.

In my District, notices have been served on most of the raiyats under section 122, of the Mysore Land Revenue Act, in respect of revision of land revenue settlement. Under this Section, 30 days time is granted to the agriculturist on whom this notice has been served, to file objections. After the period of 30 days, he is not entitled to file his objection before the Deputy Commissoiner. But since most of the agriculturists are illiterate, they have not been able to understand the implication of the law. I therefore request the Hon'ble Minister to consider about the extension of the period to six months instead of 30 days. I appeal to him to make this issue human, instead of a technical and legal and extend the period to six months to enable the agriculturist to file his objection.

Sri H. V. KOUJALGI.—Sir, so far as the South Kanara District is concerned about the natural water, I may tell for the benefit of the Hon'ble Members that the rate of tax has been reduced to Rs. 4.

Sri M. SREENIVASA NAIK.—The order has not been communicated. The authorities are collecting Rs. 8.

Sri H. V. KOUJALGI.—I may tell the Hon'ble Member that the rule has been amended. The rate is reduced to Rs. 4. If the authorities have recovered in excess of that amount, it will be refunded.

Secondly, as regard the question of recovery of assessment, notices issued, etc. these questions do not arise under this subject and if they put a separate question, I will be prepared to answer.

So far as the recovery of water rate is concerned, according to the existing Act, water rate is recovered with retrospective effect. If it is wrong, a remedy is available under the Act itself. However, in order to see that on hardship is caused the public, I have instructed the Deputy Commissioners to go from place to place to find out the real position and see that no hardship or injustice is caused to raiyats.

ಶ್ರೀ ಬಿ. ಪಿ. ಗಂಗಾಧರ.—ಈಗ ಜಮೀನಿನಲ್ಲಿರುವ ಬೆಳೆಯನ್ನು ಕೊಯ್ಯಬಾರದು ಎಂದು ಅಟ್ಯಾಚೆ ಮಾಡಿದ್ದಾರೆ. ಅದನ್ನು ತೆಗೆಯುವುದಕ್ಕೆ ಹೇಳುತ್ತೀರಾ ?

Mr. DEPUTY SPEAKER.—I will consider.

Sri B. P. GANGADHAR.—In protest, I want to go out. There is no Government here. People are dying. I am sorry for that.
